

Do you need an Octopus or a Mouse?

You don't need an assistant with eight arms to file your hard copy bulletins. You just need a mouse.

Opt Out of hard copy *Medi-Cal* Updates and stop shuffling paper. You can stay organized by having all bulletin notifications sent directly to your e-mail inbox.

Take the first step to becoming more organized. Mail the completed enrollment form on the back.

(Don't worry - you can always go back to printed bulletins if you start feeling *too* organized.)

IMPORTANT OPT OUT INFORMATION

Please allow time for EDS to process the *Opt Out Enrollment Form*. EDS will send an electronic verification to the e-mail address specified above to confirm receipt of the form and validate the e-mail address. The provider **must respond** to this e-mail in order for EDS to begin Opt Out services.

The Opt Out e-bulletins will be sent from **MCSUBSCRIPTIONS-OPTOUT@EDS.COM**, so please ensure that your e-mail settings will not block delivery.

In the event of an e-mail address change, it is the provider's responsibility to notify EDS by calling the Telephone Service Center (TSC) at the phone number below or by completing an *Opt Out Change of E-mail Address Form* (available on the Medi-Cal Web site).

If e-bulletins are returned to EDS as undeliverable for more than two months, EDS will automatically discontinue the provider's Opt Out service and the hard copy (printed) service will resume.
